
U.S. Attorney Jobs and Government Attorney Jobs

Posted by OARM - 2008/12/05 22:28

Check out this link for jobs with the U.S. Attorneys Office. All Department organizations advertise their vacancies for experienced attorneys on this web site. To see where Department offices are located, please consult the geographic areas of assignment section of our web page at, http://www.usdoj.gov/oarm/geo_attorney.htm

The jobs are interesting but the problem is that most of the jobs are for senior attorneys with 5+ years of experience. Where are all the jobs for nre hires???

I just went to the site and the first one i clicked on was for a newbie without any training. They just ask for transcripts, and a resume. The problem is that you wont make by \$50k. :blink:
