
get out of jail for \$?

Posted by Brian - 2007/11/19 02:11

Is there such as thing as a prisoner extraction? aka where someone can buy their way out of jail? If so, then under what circumstances does this apply?

=====

I've never heard of "prisoner extraction." Is that an industry or legal term?

What I do know is that everyone, and everything, can be bought... for a price.
