
POA & divorce

Posted by great1 - 2008/01/23 22:14

is a POA revoked upon divorce?

=====

Re:POA & divorce

Depends on the following:

1. State statute
2. Language in the doc

If the state statute is silent on the issue, then see if the POA has language as to what happens if the attorney in fact is a spouse and there is a divorce.

You can always revoke in writing just to be sure.
